UNITY CHRISTIAN ACADEMY

Unknown Inspiration by Kristie Warren

Jessica didn't talk to me much before she became a student here. Except for those few months when we were deciding what grades we were going to offer at Unity Christian Academy, I'm sure all I had ever heard her say was, "Hi".

Then all of a sudden, some afternoons I had her standing in my doorway asking how things were going. She wanted to be a student at UCA and would be a rising Junior. I was not sure we would have something for her. We were striving to do everything in excellence. I told her I didn't know that she would be able to come, but I was going to try my best to see what I could find. She was not completely satisfied with that answer...so she continued to push until I gave her the answer she wanted to hear. I am so glad she pushed. We would not have our first senior this year had she not been so concerned and persistent about her education.

This quiet, shy, student has become a leader. She has lead the way for UCA's first high school.

She has been a leader among her peers and inspiration to the staff. Last year she was awarded the first Full Armor award. This award was voted on by the student body and faculty for the person that exhibits having on the full armor of God, as stated in Ephesians.

I am very proud of the *authentic Christian leader* she is becoming. She has no idea the inspiration that she has been to me and the people that are around her. We all make a mark on the people around us...it's a good lesson for all of us to remember!

FEBRUARY REGISTRATION

Registering your student in February gives you the opportunity to save some money.

We have several applications and registrations that have already been turned in.

We are so excited what this means. UCA is growing and that means there will be lots of work to do!

I ask that you be diligent in prayer that we have the students and staff that need to be here for 2012-13 school year.

We do have several needs for our growing school. We are currently using all the desks that we own. I'm happy to say we have this kind of problem!!

Ok, so get your packet in today and take advantage of a little savings.

David the Coyote Saves the Day by Adam Crisp

Long ago there was a coyote named David. He was swift, smart, and a fast swimmer.

One night while taking a stroll, David paused. He saw a boat. There was a boy and girl on the boat. Instead of floating, the boat was sinking.

Then the boy cried, "Help!". So, David thought for a moment. Then he found his idea. His idea was to swim to the boat, and swim the boy and girl back to shore.

He swam to the boat. Then he swam

the boy and girl back to shore. The boy and girl said, "Thank you."

David now lives with the boy and girl that he saved that very night.

The End

Third Grade is learning how to write their own stories. They had to plan, write a draft, revise, and revise till ready for publishing.

They used a word web to plan and develop details about the main character. They completed plot pyramids to successfully plan their story. Great job Third Grade!

Becoming Authentic Christian Leaders

10 hours of Ministry ...10 hours of Devotion...and an essay about the student's definition of what it is to be an authentic Christian Leader.

UCA and HBCC are launching a leadership program in Charlotte, NC. April 8th—11th. The students that are interested in participating in this program will need to contact one of the listed advisors.

Dana Benham, Jason Kirkman, Bobby Wallace, or Kristie Warren.

We will make sure you are on the right track to accomplish these goals that must be met before March 25th..

You may contact the office (252--946-5083) for more information.

Please be praying for this program now. We look forward to the students that will be the first leaders to stand up.

You are leader in everything you do....which way are you leading?

Parachutes, Foam Pits, and lots of fun!

Rose’s Gym provided our preschoolers with physical exercise and lots of smiles! The Little Warriors traveled to Greenville for our annual trip on Jan. 23rd . We had a wonderful time. God’s Word tell us in Corinthians 6:19-20 “...know that your body is the temple of the Holy Spirit who is in you whom you have from God, and you are not your own? For we were bought at a price; therefore glorify God in your body and in your spirit, which are God’s”. We are thankful to be healthy in spirit and in body, so that we are able to enjoy these times with our friends playing.
